The graphic is a yellow and orange poster for a 'Sleep Test' promotion. At the top, it says 'Sleep Test' in blue, with the subtitle 'memperbaiki kualitas tidur anda' (improve your sleep quality). Below this, there are five circular icons with illustrations and text: 1. 'mendengarkan saat tidur' (listen during sleep), 2. 'sulit tidur saat malam' (difficulty sleeping at night), 3. 'merasa lelah saat bangun pagi' (feeling tired when waking up in the morning), 4. 'voluntary movement saat tidur' (voluntary movement during sleep), and 5. 'mengantuk berlebihan di siang hari' (excessive drowsiness during the day). A red banner across the middle says 'Rp. 4.000.000.-' and 'hingga 10 Maret atau 10 April 2019'. Below the banner, it says 'Sleep well • Feel Better • Live Healthier' and 'mengalami gejala seperti itu ? segera periksakan diri anda!' (if you experience symptoms like this, please check yourself immediately!). At the bottom, it provides contact information: 'hubungi 5210 200 ext 133 / 134 / 145' and the Medistra logo with website and social media handles.
